The Neighborhood Council system enables civic participation for all Angelenos and serves as a voice for improving government responsiveness to local communities and their needs. We are an advisory body to the City of Los Angeles, comprised of volunteer stakeholders who are devoted to the mission of improving our communities and bringing government closer to us.

- d. Motion/Discussion/Vote to approve a budget of up to \$4999 to host an event on Saturday, April 29 for a meet and greet with the run-off candidates and the PNC. This will benefit: stakeholders by showing what the PNC does and what the future incumbents will do; PNC Board by being able to outreach and finding new members; and Candidates by being able to campaign equally. The budget is allocated for translation services, catering, and miscellaneous costs that may occur. UCLA is willing to partner with the PNC to host this event. The Outreach Committee recommends the approval of this item (5 minutes)**
- e. Motion/discussion/vote to have the PNC write a letter of support for a bill to allow the City to close streets if problems related to illegal dumping continue. The Public Safety Committee recommends the approval of this item (5 minutes)**

A clause will be added that states: "In the case that any seat on the board is not filled within 2 months of its vacancy, the seat will become an At-Large seat for the remainder of the term. The seat will then revert to its original position for the next election cycle." The PNC wants to keep different communities represented while at the same time having a full board. DONE requires Bylaws edits by the first of May. The Bylaws ad hoc Committee recommends the approval of this item (5 minutes)**

This event is on the first day of School Aug. 15, 2017 where students will receive a backpack with school supplies in it. The Ed.
