WHEREAS: SB 707 - On October 3, 2025, Governor Newsom signed the Brown Act Modernization Act into law, enhancing public participation and teleconferencing options for local government bodies. This law extends the authorization for Los Angeles Neighborhood Councils to utilize alternate teleconferencing provisions, which is currently set to expire on January 1, 2026. Senate Bill 707 extends this authorization until January 1, 2030, contingent upon the City Council adopting the necessary resolution.

While Council File 25-1358 addresses the implementation of SB 707, it fails to acknowledge the urgent need for City Council action to authorize continued virtual meeting capabilities for Neighborhood Councils before the January 1 deadline. Neighborhood councils play a vital role in promoting civic engagement, offering accessible opportunities for working families, students, parents, seniors, individuals with disabilities, and community members who may face barriers to in-person participation.

Without prompt action from the City Council, all 99 Los Angeles Neighborhood Councils will lose the ability to conduct virtual meetings starting January 1, 2026. This would significantly restrict civic participation and undermine the mission of the Neighborhood Council system.

Although the Neighborhood Councils were asked by the state government to provide input on SB 707, the City Charter prohibits such intergovernmental communication.

Recommendation:

THEREFORE, BE IT RESOLVED: The Pacoima Neighborhood Council commends Council File 25-1358 for addressing Brown Act modernization and encourages its swift passage.

We strongly urge the Los Angeles City Council to:

1. Explicitly include in CF 25-1358, or through separate immediate action, a resolution authorizing Los Angeles Neighborhood Councils to continue using alternate teleconferencing provisions as per California Government Code Section 54953.8.4 (amended by SB 707).
2. Adopt this authorization before January 1, 2026, to prevent any disruption in virtual or hybrid meetings for Neighborhood Councils and their committees.
3. Expedite the implementation of SB 707's virtual public comment requirements to ensure equitable access to local government for all Angelenos, aligning with the law's intent to modernize civic engagement for the 21st century.

Additionally, we request that the City Charter Commission consider this issue in their meetings to explore potential changes that would enhance the advocacy capabilities of Neighborhood Councils and their responsiveness to state input requests. We urge you to help us avoid the administrative chaos and community harm that would result from a forced return to in-person meetings on January 1, 2026. Thank you for your attention to this critical matter.

Sincerely,

Pacoima Neighborhood Council
